PROJECTS

Something Different — *Online Web Application*

As an assigned task, the most recent project is titled Something Different.
Myself and 3 other students composed an application which offers
suggestions and gives resources for anyone looking to try something
different. A bit of an outlet from the current Coronavirus problem.

SKILLS

Able to adapt to new
environments.

Works well with others.

Excellent employee dedicated
to the field of current
employment.

AWARDS

Numerous awards as a
veteran of US ARMY.

Letters of recommendation
from both current and
previous employers.
